RE: 2013 Budget Message

I am pleased to present for your consideration the proposed Borough budget for the year 2013. The proposed budget totals \$8,149,715 for the General Fund, \$3,718,995 for the Sewer Revenue Fund and \$277,500 for the Highway Aid Fund, for a total combined funds budget of \$12,146,210.

The budgets for all funds are balanced using a combination of ongoing revenue sources and available fund balances. Details of the proposed budgets for each fund are presented later in this document. The main purpose of this message is to summarize the proposed budget and put forth some issues that will need to be considered by Council as the final budget adoption process moves forward. When adopted in its final form, the budget becomes a working plan of deliverable services and projects to be completed over the next year.

## General Fund Budget

- The two most significant components of revenue continue to be real estate and earned income taxes. Together, the two taxes will account for approximately 68% of revenue generated in 2013.
- The budget assumes a property reassessment that will result in an increase of five (5) percent over real estate revenue received in 2012. Because of the reassessment and anti-windfall legislation, it is expected that the real estate tax millage rate will decrease from 5.63 mills to around 4.624 mills depending upon the results of appeals.
- Allegheny County has indicated that final property valuations for 2013 will only be available to municipalities on or about December 17, 2012. Because of this and our desire to comply with the anti-windfall provision, consideration is being given to adoption of the 2013 budget in December 2012 while waiting to establish the final 2013 real estate tax millage rate in January 2013.
- Staffing levels are expected to remain the same as last year with the addition of an engineering employee. Due to some transition within the Police Department, two (2) officers are budgeted to be hired as a result of recent police officer testing for a total compliment of 17 sworn officers in 2013.

- Financial support of the Jefferson Hills Library and existing recreation programs is continued.
- The use of fund balance from the General Fund to support the budget is significant at \$1,001,600.

### Sewer Revenue Fund Budget

- Sewer user fees, the largest revenue source, are scheduled to remain at the current level of \$8.50 per 1,000 gallons in 2013. This rate may need to be adjusted higher in future years due to required capital projects.
- Funding of required maintenance of the sanitary sewer system will continue in 2013.
- Staffing levels are expected to remain the same as last year.
- Debt service expenses will decrease substantially due to a large amount of the remaining sanitary sewer bond obligation being paid in 2012. This will free up some needed funding for large capital expenditures next year and possible borrowing in the future.
- Assuming the Borough's Act 537 Plans are approved by the PaDEP in 2013, efforts will begin to identify funding sources for required capital projects.

### Capital Projects

- The capital projects contemplated for funding in 2013 were identified in the 2013-2022 Capital Improvements Plan reviewed by Council earlier this year.
- This year's budget continues an emphasis on capital improvements to maintain the Borough's infrastructure, facilities and equipment.
- \$864,300 in spending for capital projects has been proposed for the General Fund, and \$1,416,224 in spending for Sewer Revenue Fund capital projects.
- The annual road improvement program is funded for 2013 at its current level in the amount of \$435,000.
- The Beedle Park Improvement Project – Phase I has been partially funded in 2013 at a net cost of \$40,000 with the remainder to be budgeted the following year(s).
- Other significant purchases include a new Public Works Department truck for a total of \$160,000 and an expense of \$15,000 for our share of the cost of rehabilitating the McElheny Road Bridge.
- Three (3) significant projects are planned to be funded out of the Sewer Revenue Fund with the largest project being the Walton Road Sewer Upsizing Project budgeted at \$1,125,000.
- One of the most anticipated capital projects scheduled to begin in 2013 is the construction of the new Public Works Garage and Salt Storage Facility which will be funded out of the 2011 bond issue proceeds.

## In Summary

The current economic environment continues to present fiscal challenges to all state and local governments and the Borough is not exempt from this challenge. Unfunded mandates by the federal and state governments continue to place a heavy financial burden on municipalities. Jefferson Hills Borough remains a desirable place to live as evidenced by its residential development. While the proposed 2013 Borough budget does maintain current service levels, there is a clear need to either adjust current service levels or find additional resources in the future to fund the services that residents and businesses have come to expect. This became evident during discussions at a recent Council finance committee meeting as we contemplated the Borough's needs for the future.

## Acknowledgements

As you know, one of our goals has been to raise the quality of the annual Borough budget document. The budget was for years a single column, line item budget, but has now developed into a document with multi-year financial information and some description. The budget document will continue to improve in its quality and descriptive nature. This year's budget could not have been possible without the result of much effort by the Borough Staff. All department heads and administrative staff are to be commended for their contributions with special thanks going to the Finance Department led by Andrew McCreery, Finance Officer. I greatly appreciate the work everyone has done over the past several months and hope they are satisfied with the document each has helped to create.

Respectfully Submitted,

Douglas C. Arndt  
Borough Manager

## INTRODUCTION

The Borough of Jefferson Hills (Borough) is a municipal government located approximately twelve miles south of the City of Pittsburgh in Allegheny County, Pennsylvania. The Borough was incorporated on January 7, 1952 after first being founded as Jefferson Township on January 22, 1828. According to the 2010 Census, the Borough has 10,619 residents within approximately 16.9 square miles. The Borough is bordered on the north by Pleasant Hills Borough and West Mifflin Borough, on the northeast by the City of Clairton, on the south by West Elizabeth Borough and Union Township, and on the west by South Park Township.

## ORGANIZATION

The Borough is governed by a Mayor/Council form of government. The legislative body consists of a seven member council, who elect one member as president and one member as vice president. Council members serve four year terms. Day-to-day management of municipal government falls under the responsibility of the Borough Manager, who is appointed by the Borough Council.

## BUDGETED FUNDS

The Borough of Jefferson Hills provides budgets for three separate funds: General Fund, Sewer Revenue Fund (Enterprise) and Highway Aid Fund (Special Revenue). The Borough also accounts for a Sinking Fund per Borough bond requirements. Using the principles of fund accounting, funds are created by state constitution, state statute, borough code or local ordinance and are a separate accounting entity. The operations of each fund are accounted for by providing a separate set of self-balancing accounts, which comprises its assets, liabilities, fund equity, revenues and expenditures. The compartmentalization of resources, transactions and statements is needed to assure that specific revenue sources will be used to finance specific activities.

## PRIMARY SOURCES AND USES

The Borough's primary sources of revenue are **Real Estate Tax (31.3%)**, **Earned Income and Net Profits Tax (15.1%)** and **Sewer User Fees (27.1%)**, which account for 73.5% of the Borough's operating revenue. Additional major revenue is derived from other taxes, intergovernmental revenues and charges for services.

The Borough's major program expenditures include **Police Protection (28.9%)**, **Public Works (23.3%)** and **Sewer Processing Fees (14.3%)**, which account for 66.5% of the Borough's operating expenditures. Other major programs include Finance and Administration, Sanitation and Recycling, Capital Projects and Debt Service. For more information concerning each program, please refer to the corresponding sections of the 2013 Budget.

## BUDGET ASSUMPTIONS

### *General Fund Revenues*

- **Current Real Estate Taxes** – 2012 Rate = 5.63 mills (5.08 General Purposes, 0.45 Fire Protection, 0.10 Ambulance Services)
  - The projected collection totals for 2012 real estate taxes are \$2,895,850. Due to the anti-windfall provisions of the 2013 Allegheny County reassessment, the Borough will have to set a 2013 millage rate that will net the same collection totals as 2012. If the Borough needs to raise the millage rate, the Borough will have to enact a separate millage increase, with a maximum 5% increase in collection totals. The 2013 Budget includes the 5% increase.
- **Earned Income and Net Profits Tax (EIT)** – Rate = 0.50%
  - Revenues are projected to decrease 2.5% over 2012 actual collections but increase 5.4% over 2012 budgeted amounts. In 2012, employers were required to begin withholding local earned income tax on all employees under Act 32 of 2008. The Borough has seen an increase in 2012 of EIT revenue collection due to this new collection system, which should decrease the 2012 final return payments submitted by Borough residents. Staff anticipates a decrease in EIT collection in the first half of 2013 due to 2012 final return payments being less than prior years, but overall EIT collection to be above historical collection patterns.
- **Real Estate Transfer Tax** – A decrease of \$10,000 from 2012 Budget amounts is projected based on 2012 collection patterns.
- **Sales Tax** – Projected increase of \$20,000 from the 2012 Budget.
- **Local Services Tax** – No increase is projected for 2013.

# Budget Overview

## General Fund Expenditures

- **Employee Wages**
  - Police Officers Contract – Base salary increase of 3.25%
  - Road Department Contract – Hourly wage increase of 2.5%
  - Clerical Contract – Hourly wage increase of 2.5%
  - Management – Estimated increase of 3.0%
- **Employee Insurance and Benefits**
  - **Health insurance premiums** are projected to increase by 7%.
  - **2013 Minimum Municipal Obligations (MMO)**
    - Police Pension MMO - \$219,854, increase of \$24,997, or 12.8%.
    - Service Employees' MMO - \$7,241, no increase.
    - Non-Uniform Union MMO - \$85,280, increase of \$8,424, or 11.0%.
  - **Workers' Compensation** – The gross premium increased by \$7,267, or 5.2%, but the total annual premium increased by \$24,178, or 15.4%. The larger increase in the annual premium is caused by the Borough's experience modification factor increasing from 1.129 to 1.238. The experience modification factor is derived from the last three years of claims history with respect to the entire workers' compensation pooled trust.
  - **Life Insurance Premiums** – Costs remain constant due to no increase in life insurance premiums.
  - **Short Term Disability (STD) Premiums** – Costs remain constant due to no increase in the STD factor.
- **Refuse & Recycling Collection** – Estimated \$14,100 increase, or 2.1%, due to contractual obligations with the refuse contractor.
- **Other Operating Expenditures** – Excluding personnel wages and fringe benefits, the 2013 budget has a 2.0% decrease in other operating expenditures.
- **Debt Service** – Debt service payments are projected to decrease by \$6,062, or 1.7%.

### *Sewer Revenue Fund*

- **Revenues** – Projected revenues for the Sewer Revenue Fund are projected to remain flat. The sewer user fee is projected to remain at \$8.50 per 1,000 gallons.
- **Sewer Processing Fees** – Sewer processing fees are projected to increase by \$80,000 over 2012 estimated amounts due to a rate increase from Clairton Municipal Authority (CMA). In August of 2012, CMA increased their fees from \$1.50 to \$2.00 per 1,000 gallons, or 33%.
- **Operating Expenses** – Operating expenses (excluding sewer processing fees) are projected to decrease by \$31,130 over 2012 Budget amounts.
- **Debt Service** – Debt service expenses are projected to decrease by \$319,823 due to a large percentage of the remaining sewer bond obligations being paid in 2012.
- **Capital Expenses**
  - **Walton Road Construction and Engineering** - \$1,125,000 – This project is for an upsizing of the sanitary sewer line along Walton Road. The project will be completed over two years. All engineering should be done in 2013, with construction beginning in 2013 and ending in 2014.
  - **Operation and Maintenance Plan** - \$200,000 – The Borough is committed to the upkeep of all Borough sewer lines. This allocation is for the continuation of the operation and maintenance plan established by the Borough.
  - **Manhole Rehabilitation** - \$91,224

Real estate taxes are one of the Borough of Jefferson Hills' main revenue sources. Real estate taxes are assessed on all commercial, industrial, residential and other non-exempt real estate. Real estate tax is calculated as a product of two factors: the millage rate and the assessed value of a property. As of the beginning of 2012, the Borough had a total of 5,416 real estate parcels, of which 5,240 were taxable. The breakdown is as follows:

<u>Taxable</u>	<u>No. of Parcels</u>	<u>Residential</u>	<u>Non-Residential</u>
Building + Land	4,100	3,923	177
Land Only	<u>1,140</u>	<u>1,029</u>	<u>111</u>
<b>Total Taxable</b>	<u>5,240</u>	4,952	288
<b>Exempt</b>	<u>176</u>		
<b>Total Parcels</b>	<u>5,416</u>		

The Allegheny County Office of Property Assessments determines the assessed value of all properties within the Borough of Jefferson Hills. In 2000, Allegheny County conducted a tax reassessment of every parcel of property in the County, and also changed the ratio of the assessed value to be 100% of the market value of a property. The County took into consideration the status and condition of adjacent properties and, in the case of commercial and industrial properties, their value in terms of business profitability. In 2012, Allegheny County assessed all existing properties and future new construction based on assessment values established in 2002.

For 2013, Allegheny County is under a Court Order by the Allegheny County Court of Common Pleas Judge Stanton Wettick to reassess all properties in the County and those values will be effective for 2013 for all municipalities. In early 2012, the Borough received a 2013 preliminary assessment listing that indicated that Borough taxable properties cumulatively went up by 31.0%. After all property assessment appeals are heard, the Borough will receive a final 2013 property assessment certification and will use that value to calculate the real estate millage for 2013.

## Real Estate Taxes

Allegheny County has an anti-windfall provision which precludes the Borough from receiving more than a 5% increase in real estate tax collections. The determination of the millage rate for 2013 is a two-step process for the Borough. First, the Borough will need to determine the estimated real estate tax revenue for 2012 using current and historical collection rates. After estimating total revenue collected, the Borough will use the new 2013 assessments to establish a millage rate that will provide revenue neutrality with respect to 2012 collections. If the Borough were to increase real estate tax revenues, Council would have to pass a separate ordinance for the increase in millage not to exceed 5% in total revenue collected. The 2013 Budget includes the 5% increase described above.

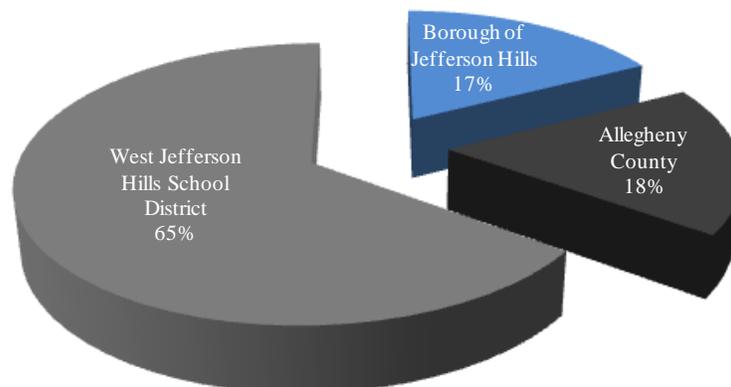

### *Millage Rate*

The Borough of Jefferson Hills' real estate tax rate for all purposes in 2012 was 5.63 mills. Under the laws of the Commonwealth of Pennsylvania, the Borough enacted separate millage rates for fire protection and ambulance services; therefore, the combined millage rate was divided by the following rates: 5.08 mills for general purposes; 0.45 mills for fire protection; and .10 mills for ambulance services. The Borough intends to allocate the same amount of real estate tax revenue to fire protection and ambulance services in 2013.

### *Real Estate Tax per Median Property Value*

The millage rate is calculated by dividing the total Borough mills by \$1,000, then multiplying that value by the assessed value of the real estate parcel. A taxable real estate parcel in the Borough is also taxed by Allegheny County and the West Jefferson Hills School District. The following example illustrates the total real estate tax paid by a taxpayer in 2012 whose parcel is valued at \$85,300.

<b>Taxing Authority</b>	<b>2012 Millage Rate</b>	<b>Real Estate Tax</b>
Borough of Jefferson Hills	5.63	\$ 480.24
Allegheny County	5.69	485.36
West Jefferson Hills School District	21.08	1,798.12
		<b>\$ 2,763.72</b>

### EARNED INCOME TAXES

<u>Earned Income Taxes</u>	<u>2010 Actual</u>	<u>2011 Actual</u>	<u>2012 Budget</u>	<u>2012 Estimate</u>	<u>2013 Budget</u>
01-310-210 Current Earned Income Taxes	\$ 1,323,420	\$ 1,370,694	\$ 1,400,000	\$ 1,550,000	\$ 1,520,000
01-310-230 Delinquent Earned Income Taxes	79,616	85,974	90,000	60,000	50,000
<b>Total Earned Income Taxes</b>	<b>\$ 1,403,036</b>	<b>\$ 1,456,668</b>	<b>\$ 1,490,000</b>	<b>\$ 1,610,000</b>	<b>\$ 1,570,000</b>

In 1965, Act 511 commonly known as the “Local Tax Enabling Act” was enacted into law to provide Pennsylvania municipalities and school districts a means of funding their operations by levying certain types of taxes as defined by the Act. The Earned Income and Net Profit Tax is one of the taxes defined in Act 511, and under its authority, the Borough of Jefferson Hills can levy a tax at the rate of 0.50% on all employee compensation of its residents and net profits earned by its residents from unincorporated businesses and professions. The definitions of earned income and net profits were amended in 2002 through Act 166 to conform to the definitions found in the Pennsylvania personal income tax law. The West Jefferson Hills School District also taxes the same type of income at the same rate of .50% on the aforementioned income. Also, there is a credit provision up to the full 1.00% combined rate for earned income and net profits taxes paid to other taxing bodies.

In 2012, changes to the Earned Income and Net Profits Tax law occurred due to the first year of the Commonwealth of Pennsylvania’s Act 32 of 2008. Act 32 of 2008 amended Act 511 of 1965 and mandated that all earned income and net profits tax would be collected by an assigned tax collection district. The new collection system requires all employers to withhold earned income for each one of their employees irrespective of where they reside and submit all withholdings to their tax collection district. The objective of the legislation was to create a streamlined tax collection system with uniform forms and procedures that will simplify the tax collection for companies that conduct business in Pennsylvania.

Earned income and net profits tax is expected to surpass 2012 budget amounts by \$150,000. This is due to the advance payments received from employers due to Act 32. The Borough expects 2012 final returns filed in 2013 to be less due to payments already being submitted by employers in 2012; therefore, the Borough expects current earned income tax to come back toward 2012 budgeted collection levels.

#### *Earned Income Tax for Median Income*

An illustration of the amount of earned income tax payable from a Jefferson Hills household with a median household income of \$70,000 is shown below:

#### ***Real Estate Transfer Tax***

This 0.5% tax, collected for the Borough by the County Recorder of Deeds through the sale of deed transfer stamps, is on the sale price of all property in the Borough of Jefferson Hills. The West Jefferson Hills School District also receives 0.5%.

#### ***Sales Tax***

This tax is collected by the Pennsylvania Department of Revenue and 25% of all collections are distributed to qualifying municipalities of Allegheny County.

#### ***Mercantile Tax***

This is a tax imposed on wholesale and retail dealers/vendors of goods, wares, merchandise and persons engaged in food service (retail only) at the rate of three-quarter mill (.0075) on each \$1 of the volume of the annual gross business transacted.

#### ***Local Services Tax***

The Local Services Tax is a \$47.00 annual tax levied on all persons employed within the corporate limit of the Borough of Jefferson Hills and make over \$12,000 annually.

#### ***Public Utility Realty Tax***

This is a Commonwealth of Pennsylvania tax on public utilities which is distributed back to municipalities based on a distribution formula established by the Commonwealth.

#### ***Payment in Lieu of Parking Tax***

This is a payment from the Jefferson Regional Medical Center (JRMC) according to an agreement signed in 2010. The agreement states that JRMC will pay the Borough a specified amount in lieu of a tax imposed related to transactions of patrons for non-residential parking places.

#### *Cable Television Franchise Fees*

The Borough grants non-inclusive cable franchise agreements to cable service vendors (currently Comcast Cable Communications and Verizon). The Borough receives a 5% franchise fee (5% charge on various cable fees and services) from the vendors. The Borough permits the cable providers to operate within the public right-of-ways. The Borough is not involved in programming or rate setting for cable services.

#### *Other Licenses and Permits*

The Borough of Jefferson Hills requires the issuance of licenses and permits for the conduct of certain activities within the municipality. Generally, permits are a means of control to assure that all municipal regulations and ordinances are upheld and to protect the public welfare. Fees charged for permits and licenses are intended to totally cover the cost of inspection, enforcement and administration. The majority of the Borough's permit revenue comes from building permits and the Borough expects a high level of building permits for the foreseeable future.

#### ***Pension System State Aid***

Under the Pension Reform Act, Act 205, the Borough receives an allocation from the Commonwealth of Pennsylvania for each full time employee in a qualified pension plan. Funds are deposited into the pension plans based on actuarial funding requirements.

#### ***Foreign Fire Insurance Premium***

Under Pennsylvania's Act 205, an allocation is given to municipalities for the benefit of their volunteer fire companies based on the population of the municipality and the market value of real estate within the municipality. The Borough is required to distribute this allocation to the fire companies within 60 days of the receipt of payment. See the "Fire Protection" section of the budget for the matching expenditure to the volunteer fire companies.

#### *Police Services*

The Jefferson Hills Police Department offers police services for special events, traffic details and other enforcement activities throughout the community. The Borough is reimbursed for these services through direct billing or grant reimbursements.

#### *School Crossing Guards*

The Borough of Jefferson Hills Educational Service Agency (ESA) administers the Borough's crossing guard program during the school year (September through June). The West Jefferson Hills School District pays quarterly for 50% of the costs of the crossing guards including wages, benefits and uniforms.

#### *PennDOT Snow Removal*

By agreement, the Commonwealth of Pennsylvania (State) reimburses the Borough for the costs associated with snow and ice removal on State roads.

#### *Garbage User Fees*

The Borough bills each residential parcel (excluding apartment buildings and trailer parks) that requires refuse and recycling collection. In 2013, the Borough will maintain the current fee of \$40.00 per quarter. The 2013 sanitation and recycling expenditure budget is \$673,400.

#### *Recreation Permit Fees*

This revenue source primarily consists of rental fees for Andrew E. Reilly Memorial Park and Gill Hall Community Center.
