

As a thank you to our customers and communities, we will be holding our **FREE** annual 3-hour Shred-It event in April at our Pittsburgh stores!

Stop by the Guardian Storage near you to safely shred your unwanted, confidential documents, while also helping the environment.

We are kindly asking participants to provide a voluntary cash or school supply donation to benefit The Education Partnership - a nonprofit organization that provides critical school supplies to children in need.

To ensure that we can serve as many people as possible, there is a limit of **5** file boxes (or equivalent) per person. We will gladly shred more during the last hour of the event if there is room in the truck!

Please be careful to remove any binder clips before shredding.

Event dates and locations are as follows:

<b>Thurs. April 12</b> 11am-2pm	Strip District, Waterfront
<b>Fri. April 13</b> 11am-2pm	Pleasant Hills, Ross Township, North Huntingdon, Washington
<b>Sat. April 14</b> 11am-2pm	Monroeville Rt 22, Hampton, Monroeville Haymaker, Shadyside, Cranberry, Robinson, Fox Chapel, Bridgeville
