

ALLIED WASTE SERVICES

 A REPUBLIC SERVICES COMPANY

SINGLE STREAM RECYCLING

One Container. No Sorting.....No Kidding!

The easiest way to recycle is here.
Offered by Republic Services!

Place all your recyclable materials in your recycling container with no separating or sorting needed. We'll do it for you! Just a few simple guidelines outlined below to avoid any service interruptions:

- Place all your recyclable material in your RECYCLE container(s) furnished by the municipality without separating or sorting! The containers need to be clearly marked as recyclable materials.
- Large volumes of glass and newspaper can increase the weight of your recycling container(s). Please assure the weight of one container doesn't exceed 50-pounds.
- **All cardboard must be broken down flat, shall be no more than 3-feet in length or width, and bundle if outside of recycling container.** Since most recycling containers don't have lids we recommend bundling or using paper bags for cardboard and paper to eliminate litter on windy days.

YES!

- Glass bottles and jars
- Metal beverage and food cans
